

Soups

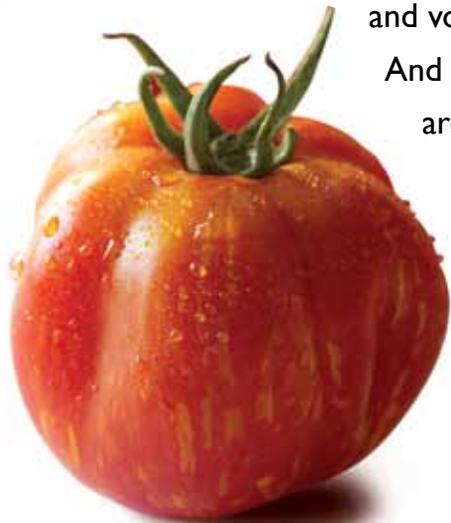

**Soups for
the soul, tummy and
everything else.**

Soups and Soup Concentrates.

Soups made the way they should be.

Few things are better for body and soul than a good, hearty soup –except maybe several good, hearty soups. So, if what you are looking for is an artisan crafted, kettle cooked soup or a high-volume, economical soup concentrate, Haliburton has what you need. Our line of shelf stable, frozen and extended shelf life refrigerated soups and soup concentrates all start with the freshest ingredients. We meticulously craft and carefully cook each kettle batch to perfection, and then we quickly chill to lock in all the fresh flavors and volatile aromas.

And best of all, most of our soup products are all natural, low sodium, preservative free and Kosher certified.

Flexible packaging, flexible flavors.

Our soups incorporate many of Haliburton's unique ingredients and savory and

aromatic flavors – Roasted

Butternut Squash, Grilled Leeks, Sautéed Shallots and Flame Grilled Fennel to name just a few. No short cuts here, we use fresh Mirepoix, made from scratch, fresh onions and garlic sautéed to perfection and roux to add flavor and body to our creations. We meticulously craft each kettle batch to exacting standards – each ingredient, each layer of flavor added at just the right time to achieve premium flavor, quality, texture and consistency. We package our soups in easy to handle flexible pouches

from 1-pound to 10-pounds, and use heat and serve films that make heating and serving a breeze.

Soup is on.

Have you ever dreamed of a great soup? We have, and still do. Maybe a Roasted Sweet Corn Poblano Chowder, how about a Gazpacho made with fresh roasted vegetables or a Bisque created with roasted sweet potato and fresh, tart Granny Smith apples? Go ahead, think big, and think outside

the can, work with our culinary experts to help create a signature soup or a series of soups. From chunky home-style roasted vegetable soups to delicately puréed seafood, cognac or wild mushroom bisques, we're limited only by imagination. We're ready when you are, we love a challenge, contact us today to get going.

Haliburton, equal parts food, science and taste.

HALIBURTON
INTERNATIONAL FOODS

Anchovy pastes and purées.

We are the largest manufacturer of anchovy pastes and purée in the world. Available in more than 20 different formulations, including low salt purées, these products are distributed primarily to salad dressing and sauce manufacturers worldwide. All of our products are Kosher certified and preservative free. Available in package sizes from 20 pounds to 2500 pounds, we have the right formulation and packaging solution for every application.

What you should know about Haliburton.

Created in 1992 with the goal of combining food science and culinary excellence to improve the quality and reduce the cost of prepared foods, today, we are a specialty foods powerhouse. We serve national retailers, multi-unit restaurant operators and international food manufacturers from our new 300,000 sq. ft. state-of-the-art manufacturing facility in Ontario, California. With hundreds of different products and packaging solutions from 8 ounces to 3000 pounds, we have the product and packaging solutions you're looking for.

Salsas.

No one offers a broader line of high-quality salsas. Our unique Flash Pasteurizing – Flash Cooling technology allows us to lock in subtle flavors and volatile aromas to produce salsas with vibrant colors and fresh flavors. We offer Dipping Salsas, Fire Roasted or Fruit Salsas and traditional Mexican table salsas all in a certified safe, Ready-to-Eat product.
