

**FOR IMMEDIATE RELEASE 09/25/13**

**Haliburton International Foods Announces the Hiring of Daniel Flannery**

ONTARIO, CA – September 25, 2013 – Haliburton International Foods, Inc., a leading manufacturer of food products, announced the hiring of Daniel Flannery as Plant Engineer.

Daniel brings 3 decades of manufacturing experience which includes team building to audit compliance for companies such as AIB, Silliker, Costco, Safeway, LP 9000, Walmart, and Tesco to name a few. In addition, Daniel has experience with design, fabrication, installation and commissioning of new product equipment and processes. His knowledge has allowed manufacturing teams such as IMF/Windsor, Nature's Way/Wild Rocket, Fresh and Easy/Tesco, Del Taco, FMC and others the ability to increase production through-put while enhancing product safety and employee safety; often through the addition of ergonomically driven designs.

**About Haliburton International Foods:**

Haliburton International Foods, Inc. is a leading manufacturer of food products for retail, food service and industrial food companies. The company's unique line of products includes Individually Quick Frozen Roasted Vegetables, Vegetable Blends, Skillet Meals, Sauces, Soups, Salsas, Hummus, Dips and Aseptically Processed Industrial Food Ingredients.

Committed to Quality and Driven by Innovation, the company employs a team of chefs and food scientists to develop innovative products, processes and packaging solutions. Founded in 1992, the company is headquartered and has manufacturing operations in Ontario, California.
