

Elevating the new standards of rice with our unique flavors.

Thai Green Curry Rice with Fire Roasted Pineapples

Confetti Wild Rice with Roasted Peppers and Carrots

Verde Rice with Fire Grilled Shrimp and Roasted Poblano Peppers

Fruits and vegetables that are vibrant in color, fresh tasting and crisp in texture is what we do best. By using a proprietary high temperature roasting process followed by flash freezing to ensure that our products stay delicious, naturally, we are able to produce frozen roasted vegetables and fruits – a true replacement for fresh vegetables.
