## **Haliburton International Foods Announces the Hiring of Romanna Clark**

ONTARIO, CA – April 12, 2010 – Haliburton International Foods, Inc., a leading manufacturer of food products, announced the hiring of Romanna Clark as their Director of Research and Development.

With more than 17 years of research, development and culinary experience, Romanna is a leading industry expert in savory products development. A career professional, Romanna has worked for Case-Swayne in Corona, California, Nabisco Foods in East Hanover, New Jersey, Ventura Foods in City of Industry, California and Two Chefs on a Roll in Carson, California.

Romanna is a graduate of California State University at San Bernardino where she earned a Bachelor of Science degree in Foods and Nutritional Science. Romanna also has an MBA degree from the University of Phoenix. A consummate professional and leading industry authority, Romanna will lead Haliburton's team of product, process and packaging research professionals.

### **About Haliburton International Foods:**
