

**Soups for  
the soul, and all those  
other important parts.**

An appetizer of great salsas and fresh chips will keep them returning again and again. They're also perfectly profitable for dine-in, take-out and drive-thru. Our unique Flash Pasteurization and Flash Cooling processes allow us to lock in flavors, even complex aromas, and create preservative-free salsas with rich, vibrant colors and extended shelf life. From Dipping and Fire Roasted Salsas to Fruit and authentic Mexican table salsas.

Haliburton, equal parts food, science and taste.
